FOL Book Club Book Selections for December and January Theme - "Famous People - Biographies"

December 1st @ 6:00 pm

The River of Doubt: Theodore Roosevelt's Darkest Journey by Candice Millard.

After his humiliating election defeat in 1912, Roosevelt set his sights on the most punishing physical challenge he could find, the first descent of an unmapped, rapids-choked tributary of the Amazon. Together with his son Kermit and Brazil's most famous explorer, Cândido Mariano da Silva Rondon, Roosevelt accomplished a feat so great that many at the time refused to believe it. In the process, he changed the map of the western hemisphere forever. 353 pages

January 26th @ 6:00 pm:

American Prometheus: The Triumph and Tragedy of J. Robert Oppenheimer by Kai Bird and Martin J. Sherwin.

J. Robert Oppenheimer is one of the iconic figures of the twentieth century; a brilliant physicist who led the effort to build the atomic bomb for his country in a time of war, and who later found himself confronting the moral consequences of scientific progress. In this magisterial, acclaimed biography twenty-five years in the making, Kai Bird and Martin Sherwin capture Oppenheimer's life and times, from his early career to his central role in the Cold War. This is biography and history at its finest, riveting and deeply informative. 721 pages

General Obligation (GO) Bond B passed in Otero County
and in the state of New Mexico.
